

BLUE ROCK GUN CLUB

SAFETY RULES

The following rules are applicable to ALL members and guests of members.

- **Persons who have consumed any alcoholic beverages shall not be permitted on the shooting fields.**
- **Both eye and ear protection must be worn at all times when on or near shooting fields.**
- **No gun will be loaded until the shooter is on the shooting station. Actions of guns will be kept open when not on a shooting station, open or out.**
- **Any loaded gun will be kept pointed in a direction what will not endanger the lives of other shooters, field personnel or spectators.**
- **If any individual on a shooting station encounters a delay, he/she must open and extract all shells until that time the delay has ended.**
- **The loading of more than two (2) shells in a gun will not be allowed at any time.**
- **Check adjacent fields for safe clearance and use extreme care when picking up hulls after each shooting session. Picking up hulls is required of all shooters (see Field Rules).**
- **Shot larger than #7.5 is NOT allowed.**
- **Rifles or pistols are NOT to be discharged on club property.**
- **Hunting is not allowed on club property.**
